CLOSING BUSINESS OF FISCAL YEAR

D. Moxley Low Succeeds C. B. Swan as Member of Common Council.

MAYOR IS SUSTAINED.

President Brumback Reverses His Ruling on Resolution Concerning City Printing.

D. Moxley Low was elected a member of the Common Council from the Fourth ward last night. He will succeed C. B. Swan who recently resigned, he having changed his residence to the First ward. R. E. Gronau was re-elected Chief Engineer of the Fire Department, and Joshua Sherwood succeeded himself as overseer of the Almshouse. A small olume of miscellaneous business was transacted.

Board of Aldermen.

All the members of the Board of Aldermen were present last night with the exception of Mr. Field, who was out of the city.

Mr. Ogden of the committee on streets, presented some papers in reference to street work, which were appropriately disposed of. They will be found in t he official proceedings.

A communication was received from Mayor Fisher returning without his signature a resolution appropriating $60 to defray the expense of publishing the annual reports of the Auditor, City Treasurer, Clerk and Superintendent of Gas in the city papers passed at the last meeting of Council. His honor alled attention to the fact that the resolution had been declared adopted by the lower board when it had not received a constitutional majority. The resolution had been adopted by a unanimous vote by the Board of Aldermen.

Mr. Hill moved that the Mayor's objections be sustained.

Mr. Ballenger asked if the resolution after having been adopted by the Aldermen, had been signed by President Marbury.

President Marbury stated that it was not necessary for him to sign a resolution, as the law required him to sign acts only, that is laws passed by the board.

Mr. Ogden suggested that the Mayor's communication should have been sent to the Common Council, where the alleged illegal ruling occurred, and not to the Board of Aldermen, as this body had committed no blunder, the resolution having been adopted by a unanimous vote.

The ayes and noes were finally called on Mr. Hill's motion with the following result: Ayes, Messrs. Hill, Brill, Fitzgerald, Summers and Mr. President—5. Noes, Messrs. Ballenger and Ogden. Mr. Ballenger, however, changed his vote and directed that it be placed with the majority. Mr. Ogden declined to change his vote, saying he failed to see why the communication was not sent to the lower board and not to the Aldermen.

This was the only matter which caused a ripple and the other business presented was transacted by unanimous votes.

After the Aldermen had concurred in the action of the Common Council on several papers which had been sent in, the members repaired to the chamber of Common Council for the purpose of participating in the election of a Chief Engineer of the Fire Department and an overseer of the Ams House, and upon their return adjourned.

Common Council.

Council started off peacefully last night and the business was half over before any excitement started.

As soon as Council had been called to order and the minutes read Mr. Williams ,a member of the joint committee on finance and schools, said that the committee had held a number of meetings recently to consider ways and means of building a high school, many plans had been submitted, and members of the school board and bankers of the city had appeared before the committee, but the committee was not yet ready to report; therefore, at the last meeting he and Mr. Leadbeater had given the balance of the committee notice that they would make a minority report. He said that he had this minority report and asked permission to read it.

Mr. Harrison moved that this permission be given.

Mr. Birrell moved as a substitute for this that Council direct the whole committee to make a report at the next meeting.

After some discussion, during which Capt. Bryan said that it was the intention of the committee to make a report at the next meeting, and that if this was not done he would vote to take the matter from the committee, Mr. Birrell's substitute was adopted.

A resolution increasing the salary of the City Engineer from $1,800 to $2,000 was sent to the finance committee.

A request of the school board that the salary of Supt. Sweeney be raised from $1,200 to $1,400 was sent to the committee on finance and schools.

A resolution appropriating $230 for the purchase of a street sweeper was passed.

A resolution appropriating $300 for laying a sewer on Washington St., between Gibbon and Franklin, was passed.

An ordinance requiring fire proof roofs on all new buildings within the fire limits was read the second and third times, and passed, ayes, 14, noes, 1. Mr. Spinks opposing its passage.

A resolution directing the committee on fire and public propedty to advertise for bids for a new truck house was passed.

The aldermen sent in a resolution, passed at the last meeting, appropriating $60 for printing certain city reports in the newspapers. This was accompanied by the Mayor's veto which had been sustained in the Board of Aldermen by a vote of 5 to 1. After the clerk had read the Mayor's veto, Mr. Brumback made a lengthy statement from the chair, in which he said that his error in declaring this resolution passed had been rectified as he had directed the clerk to change the minutes of the meeting, that the Mayor was clearly wrong in vetoing this as it had not been properly passed and so could not be vetoed, and that if some member would move to reconsider he would entertain the motion.

Several of the members wished to know from which side this motion to reconsider would have to come—from those voting for or against the resolution.

The chair did not seem to be at all certain about this, and did not commit himself.

Mr. Smith thought that the minutes had been changed to show something that did not happen in order that the veto of the Mayor might be laid aside and no attention paid to it. He did not believe that was right and objected to the proceeding.

Mr. Spinks thought that if the chair could declare a measure passed one night and at the next meeting have the minutes change dto show that it did not pass and not allow council an expression of its wishes that the members of the body might as well go home and let the President rule without any regard to the rules or laws governing Council.

Mr. Burke thought it strange that after all the discussion of this vote at the last meeting and the extremely positive decision of the chair,that the minutes should be so changed as to show the reverse of what the chair actually did decide.

Mr. Birrell agreed with the previous speaker that the minutes, under no condition, should be falsified.

During all this time the President was sustaining one side of the debate without leaving the chair, and several objections were made to this, particularly by Mr. Spinks, who thought that if the president desired to engage in debate he should come on the floor in order that he should have no advantage over the members.

Mr. Marshall moved to concur in the action of the Board of Aldermen in sustaining the veto of the Mayor, and this was adopted by a vote of 10 to 5, Messrs. Leadbeater, Brockett, Williams, Graham and Brumback voting no.

When the resignation of Councilman Swan was taken from the table and accepted, Mr. Marshall nominated Mr. Julian T.Burke, Jr. and Mr. Chauncey nominated Mr. D. Moxley Low. On a roll call the vote stood, Burke, 7, Messrs. Spinks, Smith, Birrell, Burke, Monroe, Marshall and Bryan. Low, 8; Leadbeater, Lambert, Williams, Chauncey, Graham, Brockett, Harrison and Brumback.

When the chair was about to declare Mr. Low elected Mr. Smith interposed an objection that it took a majority of the members elected to council to elect; that is 9 votes. The chair, however, overruled this and declared Mr. Low elected.

Council then held a joint session with the aldermen for the election of fire chief and overseer of the Alms house. Messrs. R. E. Gronau and Joshua Sherwood, the present incumbents, were elected unanimously.

After the joint session council adjourned.

BIRRELL WINS IN A LANDSLIDE

Carries Every Ward in Alexandria City by a Large Majority.

ANGELO THIRD IN RACE

E. W. R. Ewing Carries Alexandria County—Successful Candidate Receives Ovation From Friends.

Early last night the returns from the four wards of the city of Alexandria showed that J. Fred Birrell had won a decided victory over O. P. Angelo and E. W. R. Ewing, in the triangular contest for the nomination for the House of Delegates from the city and county. His majority was phenomenal in the city and when the returns from the county were received it was seen that a good percentage of the voters of that jurisdiction had the same confidence in his fitness for the position as the bulk suffragans of the city. His plurality was shown to be 558.

While there were no outbursts of enthusiasm over the result, evidences of satisfaction among his friends were by no means suppressed, and the successful candidate was kept busy until a late hour receiving the congratulations of his freinds.

His desk in the Common Council chamber contained a bank of flowers, and he received a continuous ovation from members of Council and the spectators who were present.

The vote polled in the city was not up to expectations, there being but 1,120 ballots cast, while in the county the vote cast was regarded as exceedingly small, a total of only 280 being polled.

The totsll vote cast in both city and county follows: Birrell, 979; Ewing, 308; Angelo, 113.

The vote of the city was: Birrell, 901; Ewing, 133; Angelo, 86. The vote in the county was: Birrell, 78; Ewing, 175; Angelo, 27.

By wards the vote in the city was as follows: First Birrell, 214; Ewing, 30; Angelo, 14. Second, Birrell, 251; Ewing, 30; Angelo, 25. Third, Birrell, 210; Ewing, 44; Angelo, 24. Fourth, Birrell, 226; Ewing, 29; Angelo, 23.

The vote by districts in Alexandria county was: Jefferson, Birrell, 28; Ewing, 43; Angelo, 4. Arlington, Birrell, 39; Ewing, 102; Angelo, 13. Washington, Birrell 11; Angelo, 9, Ewing, 30.

CARD FROM MR. ANGELO.

The splendid vote which Mr. Birrell received July 8 well demonstrates who the people wanted for their next legislative representative. I heartily congratulate him and wish him all success during his term of office. I also wish to sincerely thank my friends for the support they gave me.

Very Truly,
(adv.) O. P. ANGELO.

U. S. DISTRICT COURT.

Shanks Case Will Consume Much of Time of July Term.

The United States Court for the Eastern District of Virginia with Judge Edmund Waddill presiding, resumed its session this morning at 10:30 when several minor cases were disposed of.

In the case of W. P. Rudasill indicted for unlawfully using postage stamps belonging to the United States, and the cases of Ellis Brewer and Wm. P. Graves, indicted yesterday for carrying on the business of liquor dealers without paying the license tax required by law, capiases were issued and the cases set for trial at the January term of court.

All jurors and witnesses not in the panel sitting on the Arthur Shanks alias West case, together with all witnesses except those in this case were excused until tomorrow morning at 10:30.

On motion of the attorneys for the defense in the case of Arthur Shanks, alias Arthur West, accused of improper conduct toward young girls, Judge Waddill ordered the jury to retire for a few minutes, on motion of the attorneys to allow the attorneys for the defense to present an argument for a motion to the court, to have the case taken from the jury. After a short argument counsel for Shanks suggestd that court would be justified in taking the case from the jury for the reason that the jury would find it impossible to reach a verdict.

This motion was overruled by Judge Waddill and the jury brought back when the tral of Shanks was resumed after the court ordered the court room cleared of everyone not directly connected with the trial of this case. From the number of witnesses on hand to testify for both the State and the defense it is expected that the case will take all of today and part of tomorrow.

ELKS ELECT OFFICERS.

E. Leach, of New York, is Given Chief Honor.

Rochester, July 9.—After three hours of steady counting the tellers for the annual election of officers for the Grand Lodge of Elks, convening in this city, announced that Edward Leach, of New York, had been chosen Grand Exalted Ruler. Fred Robinson, the "regular" candidate for grand secretary, was elected over Thomas J. Darling, of Temple Texas., and David McArren, Port Huron, Mich.

P. H. Shields, of Clarksburg, W. Va., was elected grand esteemed leading knight over Floyd R. Maxwell, of Marshalltown, Iowa. James R. Nicholson, of Boston, was elected to fill an unexpired term as grand trustee. Other officers which were voted on, but which the tellers had not determined up to a late hour, were grand esteemed lecturing knight, grand trustee, 5-year term; grand iner guard, and grand tiler. No conflict is expected in the last named officers.

It has been announced unofficially, that on Wednesday night of next week, Grand Exalted Ruler Richard J. Decker, of Rochester Lodge, No. 24, will tender his resignation, and that it will be accepted on that occasion. Decker's successor will in all probability be Bert Bates, now a city assessor.

It is reported that Ruler Decker offered his resignation to the lodge several weeks ago but that, on the earnest solicitaion of his friends, he agreed to withhold his resignation until after the convention plans had been carried out, and the delegates had left for their homes.

COMMISSIONER TO VISIT THIS CITY

Will Meet Residents of Fairfax County And Hear Claims on 11th.

URGE RIVER ROAD.

Government Officials Object to Legal Men Being Present at the Conference Concerning Route.

State Highway Commissioner P. S. J. Wilson, of Richmond, has made arrangements to visit Alexandria Friday, June 11th and meet the residents and property owners residing along the Accotink Turnpike, more familiarly known as the River Road, for the purpose of having the landowners residing along this road present their reasons for having the River Road designated as the link in Fairfax county, of the Quebec to Miami National Highway, which is to be constructed across the United States from Canada to Florida. That part of the National Highway passing through Virginia being under the direction of the Richmond-Washington Highway Corporation, the State Highway Commissioner and County Boards of Supervisors.

Commissioner Wilson in meeting with the advocates of the River Road and other roads desires no legal representation on the part of the residents. He wishes simply, to hear what the property owners have to say and will be taken by them over the roads in question to see for himself what are the advantages the residents along the two Roads claim for their turnpike.

Mr. Wilson will be met at the Union Station, Friday afternoon at 2:30, and immediately taken on an inspection trip over the River Road and over any other road he may express a wish to inspect, after which he will attend a meeting to be held at Sherwood Hall Friday night at 8 o'clock, attended by members of the County Board of Supervisors who have been invited and the greater part of the residents and property owners interested at this meeting.

Last Wednesday the members of the Board of Supervisors of Fairfax county met and rejected a bid of $4,000 per mile for the improvement of what is known as the Mountain Road on which Pierce Reed, a member of the County Board of Supervisors, resides.

This was done on recommendation the State Highway Commisisoner, it it is reported. It is expected that the road finally selected for improvements and designated as the Fairfax link of the State Highway Commissioner, structed or improved by state labor unless new bidders appear and offer to do the work at a less cost to the state and county than $4,000 per mile the price in the bid just rejected.

PRIZES GIVEN AWAY.

The following valuable prizes are to be given away free by the criers at the auction sale of lots tomorrow, being conducted by Burton Brothers, for George Appich.

Beautiful gilt parlor chair. Cedar Chest, well trimmed in brass. Three fine rugs. Oak Library Table. Handsome Rocker, with chaise leather. Large leather couch. Morris chair, with leather trimmings. Refrigerator. Porch Hammock of canvas and steel frame. Fine ladies' mahogany desk and inlaid chair. It costs nothing to enter as a candidate for these prizes, Just be present and hand in your name.

ACCUSED DISMISSED.

Ernest Warder, of Alexandria, who was arrested in Washington Saturda ynight after he had asked the police to find Estelle Rosser, was discharged from custody after a brief investigation by agents of the Department of Justice. The agents failed to find he had violated any law. They also discharged the woman who was held as a witness.

As was the case yesterday, there were no cases on the docket of the Police Court this morning.

MOUNTAIN IS ABLAZE.

Fires Cover Mt. Tamalpais From Base to Top, Threatening Villages.

San Francisco, July 9.—The Mount Tamalpais forest fires swept by a strong wind covered the side of the mountain top to base last night. At 8o'clock it was reported within 50 feet of the nearest house in the town of Mill Valley. It was feared the Mt. Tamalpais tavern on the summit of the mountain was doomed and Mill Valley, Larkspur and Corde Madera were in grave danger.

From "the double bow knot" on the Mill Valley and Mt. Tamalpais Railway to the summit, a distance of a mile, the slope was one sheet of flame. An appeal was sent throughout Marin county to the San Francisco department and army headquarters in San Francisco for every available fighter to save Mill Valley.

The flames were spreading over the thickly wooded eastern slope of the mountain and several large towns lay in their path.

FURTHER CONSOLIDATION.

Report of Contemplated Abolition ot Jones's Point Revived.

The recent consolidation of several United States custom offices, with the port of Baltimore which abolished several collectors in this district and in many other places saving the government about $500,000 yearly, has started a report to the effect that the Lighthouse Board contemplates some sort of action along similar lines, which would be to consolidate several lighthouse districts into one and also abolish a number of lighthouses of minor importance.

It is said the department proposes to replace the lighthouse at Jones's Point with one of the new automate buoys which will be anchored in the river and if protected against damage by ice in the winter be still as efficient as the present lighthouse at the Point.

The purpose of the Lighthouse Board is probably to carry out a plan of consolidation in the interest of economy, as it has been reported that the automatic buoys, which require practically no attention except at intervals, give the best service in uated as to be partly protected places on rivers and at points so situated as to be partly protected against storms and damage by the waves in very rough weather.

PROPERTY SALES.

George L. Appich has sold to Benedict Wheatley, three villa sites at Wellington Villa, which Mr. Wheatley will improve at once. The consideration named was $3,900.

George L. Appich has sold to W. H. Heymel nine acres of land on the Nevk oRad, adjoining Holland Hall farm, for $2,400.

DEATH OF SECTION FOREMAN.

Henry L. Currier, aged 53 years, died at his home at Linconia, Fairfax county, yesterday. He is survived by a widow and six children. His remains were forwarded by W. Demaine & Son to Albemarle county, where they will be intered Mr. Currier had been a section foreman of the Southern Railway.

CITY MARKET.

The city market is evidently becoming popular as a business centre. Seven additional stands have been opened recently. It woud seem to indicate that merchants are seeing greater possibilities within the market. The additional rents collected by the city could be expended in improvements inside the market building and steps taken to bring it up to the modern standard in fixtures and appearance, in meeting the present day demand for sanitary efficiency and attractiveness.

DUNBAR FLORAL COMPANY.

The Dunbar Floral Company have leased the building at 725 King street, which until recently, nas been occupied by J. M. Pettit. Mr. Dunbar will improve the place, opening u pa first-class store for the sale of flowers and plants.

Mr. Pettit has moved his produce business to a stand in the city market.

PEACE OVERTURES BROUGHT TO AN END

One Hundred Thousand Railroad Men About to Declare Strike.

DEMAND MORE WAGES

Walkout Would Tie up All Lines East of Chicago and North of Mississippi Valley.

New York, July 9.—Peace overtures have endede between forty-five Eastern railroads and 100,000 members of the Order of aRilroad Conductors and the Brotherhood of Railroad Trainment, after the employes' representatives in conference with the railroad managers announced that 94 per cent of the men had voted to strike for increased wages.

Final action on the proposed tie-up remains with the general committee of 1,000 of the conductors; and trainmen's organizations, and a meeting has been called for Saturday. It is the unanimous opinion in operating circles that the strike vote will be ratified, unless the companies meanwhile offer to pay higher wages or agree to submite the dispute to arbitration.

The conference committee of managers will meet Monday to consider the decision of the employees' general committee. The railroads are then expected to make their ultimatum.

A strike of 100,000 conductors and trainmen would be very disastrous, and would probably result in the almost total tie-up of all the roads eas of Chicago and north of the Mississippi Valley.

TROUBLE IN COMMITTEE.

Messrs. Glass And Eagle About to Come to Blows.

A physical encounter was narrowly averted at a meeting yesterday of the Democrats of the House Committee on Banking and Currency. Representative Glass, of Virginia, chairman of the committee, and Representative Eagle of Texas, were the members who indulged in a near-fight as a means of settling their differences over the banking and currency questions.

The cause of the trouble was the publication in the newspaers of a report in which the details of Monday's meeting were set forth, Mr. Eagle being placed in the position of antagonizing the administration bill and throwing obstacles in the way of its presentation to the House. The Texas member made the statement that somebody had been talking out on school and he strongly intimated it was Mr. Glass.

Mr. Glass is said to have replied in plain language. Mr .Eagle remarked that he "had a little Irish" in him and Mr. Glass said some of the same blood coursed in his veins.

Much to the relief of some the quarrel began and ended with words and Messrs. Glass and Eagle parted at the end of the meeting with a fair show of good feeling.

MOVEMENT FOR ICE FUND

Health Department of City Will Engage in Relieving Poor During Hot Weather

Dr. E. A. Gorman, Health Officer of the city, and his assistants are about to start a movement to procure ice to be distributed among the worthy people of Alexandria who cannot afford this necessity. It is proposed to raise a fund sufficient to carry out the plan by popular subscription, and all contributions will be received and judiciously expended in the Health Office in the City Hall.

The authorities in other cities are engaged in similar work, and they are receiving the appreciation due from the beneficiaries.

There are many ways by which the burdens of the poor can be relieved. Ice is almost as much an essentian in many cases in summer as fuel in winter, especially where sickness exists.

This will prove an opportunity for all to have part in a worthy cause. Small sums, which many would never feel, will, in the aggregate, bring smiles to many whose resources are too limited to enable them to buy ice.

All applications for this essential in hot weather must be made to the Health Office, and ony such as are worthy will become participants in the distribution.

This suggestion should meet with a hearty response from our citizens.

GET MORE MONEY.

As a result of the strenuous fight for better wages, the employes of the Washington Navy Yard yesterday were granted an increase of 7.8 per cent in pay for the six months from July 1, 1913, to January 1, 1914.

The order fixing the new schedule of wages was approved yesterday afternoon by Acting Secretary of the Navy Roosevelt.

The machinists had complained that Commander Jones was not fairly distributing the $240,000 appropriated by Congress for a 10 per cent increase in wages to benefit all employes alike in view of the high cost of living. Teh machinists contended that the increase were based on efficincy, despite the fact that the appropriation carried with it no such qualification.

COULD CLEAN OUT GUTTERS.

Health Department Wants Men to Engage in Sanitary Work in the City

While City Council has passed drastic health laws concerning meats, vegetables, etc., adopted a compulsory sewer tapping ordinance, and provided other means to place the city in a sanitary condition, there are many foul gutters and quagmires, and unhealthy growths in various sections of the city, especially near the suburbs.

The health department of the city, realizing the importance of bringing about more improved conditions, applied to the street department for the services of five men for this necessary work, but as there is considerable street work,to be prosecuted at present, it was impossible to grant the request.

It has been suggested that there are always men in jail serving terms for the non-payment of fines, and if this class could be set to work cleaning gutters, cutting down weeds, and other similar work the city would get something in return for their board.

The Best Dinnerware To be Used in Summer Homes

Is the American and English porce lain; it has a plain, smooth, glazed surface, is remarkably durable, resulting in greater service than fine china. Dinnerware for the summer meal should be pleasant and suggestive of good taste. When the proper degree of correctness is exercised in this matter, it has a decided bearing upon the enjoyment of the food. From the showing of dinnerware here it is impossible to set a careless or sightly table.

A strong feature of this dinnerware is that it is openstock; when a piece becomes broken, a duplicate can be secured without difficulty, and at no greater expense than in the set. thus your service can be kept intact throughout the series of accidents which are bound to befall in any household, regardless of care.

A service for 12 persons may be secured at the very moderate price of . . . . . $6.75.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. We have been prescribing the D.D.D. remedy for years."

We ourselves vouch for the D.D.D. Prescription for eczema and absolutely guarantee that it will take away the itch the instant you apply it.

If you are suffering from any form of skin trouble we would like to have you come to our store, for we have had the agency of this remedy for so many years that we can tell you all about D.D.D. Prescription and how it cures eczema. In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a $1 bottle on our guarantee that it will cost you nothing unless you find that it does the work. For that matter a trial bottle for 25c ought to be enough to absolutely prove the merits of the remedy.

Drop into our store anyway and we will tell you all about this great remedy.

WINS JERSEY CATTLE MEDAL.

Mansfield Hall Dairy Farm, In Virginia, Gets Second Prize.

Fredericksburg, Va., July 9.— The Mansfield Hall Dairy Farm, in Spottsylvania county, near this city, has been awarded a silver medal, second prize, in sub class D of the medal competition of the American Jersey Cattle Club for 1912. There were 65 cows competing.

The competition is open to all cows with authentic records commencing at the age of 4 to 5 years in the United States. The winner was Rhoda of Wylewood, 216165, that made 678 pounds of butter. During 1913 this herd has made a greater record with Hector's Ella Q. B., 196,-485, which yielded 698 pounds of butter.

Three of the cows now in test have completed half of the year and promise to go easily over the 700-pound mark.

Heavy Damages by Lightning.

Culpeer, Va, July 9.—Terrific lightning storms in the western part of Culpeper county Saturday night killed nine cattle belonging to Miss M C. Duncan, at Mountain View, and fourteen cattle were killed by lightning on the farm of Dutton P. Clatterback, near Reva. A. J. Smith, of Crooked Run, lost a large barn by lightning.

Norfolk, Va., July 9.—Lightning struck the Phillips cottage, occupied by Attorney Howard G. Avery and family, at Virginia Beach early Sunday morning and tore off a large portion of the roof just over a room in which Angus Avery, eldest son of Mr. and Mrs. Avery, was asleep.

Young Mr. Avery was sightly stunned, but not hurt. The north chimney of the house was also knocked off. The lightning bolt came in the midst of a severe electrical storm that startled many of the Beach cottagers.

The Phillips cottage, now owned by a resident of Philadelphia was the former Merritt T Cooke cottage.

COMPROMISE AGREEMENT.

Court Allows Widow of Victim of Railway Accident to Settle.

Richmond, Va., July 9.—Mrs. Ada E. Cogbill, widow of W. L. Cogbill, a locomotive engineer, who was killed in a head-on collision near Jennings, Amelia county, February 23, 1913, has filed a petition in the Law and Equity Court, asking that the court ratify the compromise agreement entered into between her and the Southern Railway Company, by whom her husband was employed, whereby the Railway company is to pay her $8,000 for all claims. She named her children, Minnie E., W. L. Jr., and Elizabeth J. Cogbill, as co-defendants, in order that future litigation might never arise.

The first named child is of age,while the other two are of tender years. She sets forth that the compromise agreement is satisfactory, and that the damage might be greatly reduced by lawyer's fees if suit were brought. The petition was of a friendly nature, the children being named so that none of them might hereafter question the issue.

The court entered an order carrying into effect the compromise agreement, and Mrs. Cogbill will receive the amount named for herself and family.

TO MAKE POTOMAC NAVIGABLE.

Public Meeting in Cumberland to Discuss Project.

Cumberland, Md., July 9.—Another public meeting in the interest of the proposition to make Potomac river navigable to Cumberland was held last night at the City Hall Auditorium. Mayor George G. Young, presided, and Frederick Mertens, of Washington, D. C., who is connected with the local committee seeking data on the mattr was present.

The principal address was by Colonel Langfitt, of Washington, a member of the Bureau of Army Engineers, who is an authority on the project.

Sentiment is concentrating in favor of the proposition here, as it is realized the benefits Cumberland will derive from such a proposition will be almost beyond estimate.

The Hagerstown Board of Trade has written the Merchants and Manufacturers' Associaton of Cumberland tendering any assistance they may be able to give the proposition and stating that while Hagerstown is not located directly on the Poomac river, they feel very much interested in the movement and would like to be of some service. It is expected a meeting of the Hagerstown and Williamsport communities to discuss the project will be held shortly.

MINISTER RUNS RESORT.

Opens Amusement Park to Raise Money For New Church.

Norfolk, Va., July 9.—To raise funds with which to build a new church Rev. Walter R. Leckliter, pastor of the Cavalry Baptist Church, of Portsmouth, has opened a regular amusement park.

He has named it Baraca and has provided a merry-go-round, refreshment stands and other things usually found in places of its kind.

The church was recently razed to make way for a new house of worship. Until the latter is completed the congregation is worshiping in a structure near the old church site.

Scores of young women have volunteered to serve cool drinks, ice-cream and other refreshments in the "park", and the Baraca Brotherhood, 200 strong, has agreed to patronize the place. In addition hundreds of children pay nightly visits to the place and invest their pennies and nickels in ice cream cones and rides on the merry-go-round.

Rev. Mr. Leckliter came to Portsmouth from Baltimore recently. He carried out a similar scheme there and raised a fund sufficient to pay an indebtedness on his church. He met with considerable opposition in the Monumental City, and the proposition was so strongly antagonized here by some members of his congregation, who went so far as to appeal to Mayor Hope, of Portsmouth, asking him to prevent the opening of the park. The Mayor, however, refused to interfere.

Rev. Leckliter says he will get enough money to build the church, and fromp resent indications it loops as if he will.

Fish Guano Company Fails.

Fredericksburg, Va., July 9.—Judge T. R. B. Wright, the Circuit Court of Lancaster County, has appointed John F. Gouldman, Jr., of Fredericksburg, and Frank G. Newbill, of Irvington, as receivers for the Carter's Creek Fish Guano Company of Irvington, an dthey will qualify on Wednesday.

The plant has been in operation for 20 years and during that time it has had only three bad seasons. The annual dividends have been from 6 to 25 per cent.

Nearly two years ago the company purchased an additional plant near Wilmington, N. C. Two bad seasons caused the failure.

FOR A GRAND HIGHWAY.

An Aggressive Campaign is Being Launched in Virginia.

Bristol, Va., July 9.—An aggressive campaign, to give impetus to the building the Bristol-to-Washington highway, in order to have it completed by the time the Memphis-to-Bristol highway is opened, is being launched with the present year and will end with an automobile run over the proposed road, in September. Two good road cars will leave Bristol in September, carrying President W. H. Ashton, of the Bristol-to-Washington Highway Association; the State Highway Commissioner and several other good roads enthusiasts. Public meetings will be held at Abingdon, Marion, Wytheville, Pulaski, Radford, Christiansburg, Roanoke, Natural Bridge, Lexington, Staunton, and elsewhere on the run from Bristol to Washington, which will be made in two new 45-horsepower Apperson Jack Rabbit cars.

The movement for the construction of the new highway now being built diagonally across Virginia was suggested by the building of the Memphis-to-Bristol highway. The two highways will joint at Bristol and will give an unbroken stretch of 1,000 miles. The road will be the longest automobile route in the U. S., linking the National Capitol on the east with the Mississippi river at Memphis on the west. It will traverse one of the most picturesque regions of the country.

LITTLE BOY DROWNED.

Says he is Leaving Home for Good, And Meets Death in Creek.

Cape Charles, Va., July 9.—Leonard Hicen Abrams, aged twelve years, son of Mrs. Margaret H. Abrams, of Trower, was drowned in Machipongo Creek, Monday afternoon, while bathing. Young Abrams left his home in company with his older brother Rufus Abrams, and told his brother that he was going away never to return, but the brother thought he was joking, and paid no further attention to him. The two brothers, with some small boys, were in the water some little time when they discovered young Abrams had disappeared. t I is believed that he ventured over his depth and his cries for help could not be heard by his companions. The body was found a few hours afterwards.

Publicly Lashed.

Atlanta, Ga., July 9.—T. D. Thompson, holding a responsible position with the Atlanta Envelope Company, was publicly flogged with a horsewhip her Monday afternoon by Mrs. J J. Lee, who is the wife of an office attache of the Central of Georgia Railroad. Both persons were under arrest last night, charged with disorderly conduct.

Armed with a horsewhip, Mrs. Lee went to the plant of the Atlanta Envelope Company, at 109 south Forsythe street, Monday afternoon, and waited in the street outside for Thompson to appear. The latter came out of the buiding half an hour later. She immediately atacked him with the whip, lashing him several times on the face and then beating him over the head.

A passing pedestrian intervened, and Mrs. Lee was escorted to a near by drug store, where she collapsed. In explanation of her action, she alleged that Thompson had been circulating slanderous remarks concerning her. She and her husband have been separated for two months. Thompson is married.

The Truth About Electric Cooking

For large families where the average domestic help is employed and a large amount of cooking done, Electric Cooking will be found more expensive, and in most cases not advisable.

In small families, where no help is employed, and where nice equipment is desired, Electric cooking will be found many times more convenient, more certain in results and safer in operation—as well as reasonable in cost.

In every family a few utensils for early breakfast emergency and special uses—and for cheering up cold meals with a warm dish or two—is highly advisable from every standpoint, including that of economy.

J. FRED. BIRRELL. TO BE DELEGATE.

While it was generally conceded yesterday that Councilman J. Fred. Birrell was in the lead in the race for nomination for the House of Delegates in the democratic primary election, it was not supposed by his most optimistic friends that his opponents were to be left out of sight at the close of the contest. Such, however, proved to be the case, as he carried every ward in the city by large majorities and received a good vote in the county.

While no excitement was manifest in the election, much earnestness was displayed by the candidates and their friends in attempts to bring out every voter.

Mr. Birrell, the successful candidate, has been in public life since 1897, when he was elected a member of the Common Council from the Second ward. He subsequenty changed his residence to the Third ward, when he was chosen a Councilman from that ward. During the time he has served he has played a prominent part in the affairs of the city.

While needing no introduction in Alexandria, he is well-konwn in Richmond, as during the last session of the Legislature he was an attache of the State Capitol, where he made many friends and acquaintances. He has since early manhood taken a prominent part in fraternal circles and is a Past Master of Alexandria-Washington Lodge of Masons.

As he will represent a city in the House of Delegates, he will, of course, often find himself with the minority against the united forces of the rural districts, but that he will use every exertion in the interests of his constitutents in Alexandria city and county, is admitted by all who know him.

Questions of vital interests to Alexandria and every other city in the commonwealth will be brought before the next General Assembly. A large majority of the voters by their action yesterday expressed their conviction that he will be the right man in the right place when that body shall have convened.

"Hon" J. Fred Birrell—how does it sound? Probably there are a couple of gentlemen who don't think very much of it, anyway.

Election day in the county gets out about the same crowd that a well advertised excursion to the North Pole might be expected to get together.

In Preston, Pa., the chief of police testifies that 83 per cent of the poulation get drunk. We cannot help but think that there has been some discrimination against the other 17 per cent to keep them out of exercising their prerogatives as citizens.

NEWS OF THE DAY.

The United States Supreme Court at Trenton, N. J., returned to Judge John Rellstab its affirmation of his decision in the Federal Court for the deportation of Porter Charlton. Charlton had been confined in the Hudson county jail for two years. He was arrested on reaching America, and charged with the killing of his wife at Lake Como, Italy, in 1910.

Maxim guns were yesterday mounted on all the public buildings in Lebanesburg, South Africa, because of a threatened renewal of violence in the gold mine strike. Guns have been placed in position to sweep all the black laborers from three of the large gold mines on the Rand joined in the labor upheaval yesterday and should the disaffection spread to the other 250,000 natives employed on the Reef it will mean that the white inhabitants will be confronted with reappearance of the "black peril," which has been quiescent for some years.

H. W. Michel, a member of the Merchants' Exchange of St. Louis, who resigned as mail carrier yesterday attempted to commit suicide because he had lost $7,000 in grain speculation. Michel's letter said in part. "My losses are told in speculation will possibly total $7,000 to $8,000. This represents the savings of a lifetime. If my untimely end will be a warning to others, it has at least accomplished some end."

An attempt was made to criminally assault a ten-year-old girl yesterday afternoon while she and companions were playing in an empty house a 615 Nineteenth street, northwest Washington. Henry Griggs, a negro of Georgetown who was in building sweeping up for a new tenant was arrested on the charge of being the assailant. The attack on the little girl makes the third assault of the character in Washington within the past two days.

An electrical storm with all the force of a tornado struck Elgin, Ill., late yesterday afternoon, causing two deaths and left a swath of wreckage in its wake. Arthur Peterson, eighteen years old, and an unknown man, were struck by lightning and killed.

Lieut. Loren H. Call, of the United States Aviation Company, was killed early yesterday by the collapse and fall of his aeroplane north of Texas City.

An "arson squad" of militant suffragettes burned down the country residence of Sir William H. Lever founder of Port Sunlight and chairman of the Liverpool School of Tropical Medicine, early yesterday morning The mansion, which is called The Bungalow, is situated at Rivington, near Horwich, Lancashire. It was not occupied by the family, but contained valuable paintings and other precious objects, all of which were consumed, the damage amounting to $100,000.

The Society of American Women in London yesterday gave a luncheon at the Savoy Hotel to welcome Walter Hines Page, the new United States Ambassador, and Mrs. Page.

John Dobson, a farmer, aged 50 years, died near Central, S. C., from wounds received in a pistol duel with his 17-year-old son. It is said the boy attempted to aid his mother whom Dobson was mistreating. The father mortally wounded another son who had taken no part in the difficulty After the shooting the elder boy escaped, but later surrendered to the Sheriff.

REVOLTING ATROCITIES.

Seven Hundred Persons Burned in a Mosque.

Saloniki, July 9—Father Michel, a superior of the French Catholic Mission at Kilkish, confirms reports of massacres committed in that district by the Bulgarian regulars. In one instance they burned to death 700 men belonging to to Kurkut by imprisoning them in a mosque under which they exploded bombs setting the building on fire. They had previously assembled the victims' wives and daughters to witness the spectacle

Even more terrible atrocities were committed at Kilkish, Planitza, and Rayhovo, women also being burned to death.

Father Michel asserts that among the irregulars responsible for these atrocities were business and professional students from Sofia.

London, July 9—The Balkan war having been regularized by formal declarations, it is understood that the powers will make no attempt to mediate. The official Gazettee at Belgrade published tonight notice of a formal declaration of war against Bulgaria.

Servian dispatches admit a strong Bulgarian column has invaded Servia at Konagevatz, which town they occupied after setting fire to the adjacent villages. Cholera has been brought to Belgrade by the wounded.

Official Greek dispatches claim a great victory at Doiran, where the Bulgarians recently reinforced, were in superior strength to the Greeks. They latter assert tha ta whole division of Bulgarians was destroyed and that the Bulgarians fled in such confusion that they even left loaded guns behind.

SLAUGHTER OF INNOCENTS.

Babies Burned to Death in Maternity Home, Says Investigator.

Chicago, July 9.— We could not help forming convictions that babies were burned and many of them consumed or gotten out of the way by quicklime," said Thomas Curran, chairman of a legislative committee which is investigating Chicago baby farms and maternity homes.

Mr. Curran had reference to the results of an investigation started some time ago. The inquiry was resumed today under a legislative resolution, and Mr. Curran said there is a prospect for some startling disclosures concerning the disposal of nameless babies. In reviewing the work of the old committee Mr. Curran said:

"In our previous investigation we found conditions in these places appalling. We investigated one maternity hospital and found things there in a terrible state. We shall renew our investigations of those institutions. Before we were grouping in the dark, but now, with funds and information, we shall be in a position to go to the bottom of the terrible cruelties and inhuman actions."

Sues For Maintenance.

Lillian E. Della yesterday filed suit in Washington against Edward L. Della, alleging desertion and non-support. They were married in Washington City February 19, 1912 and plaintiff alleges her husband deserted her six times since they were married. He is employed in the gunshop of the Washington Navy Yard.

NEWS OF THE DAY.

Two persons are known to be dead; The latter assert that a whole di probably have perished in ashes as a result of a fire yesterday. Nearly all of the 1,000 inhabitants are homeless at Independence, La. Some estimates place the money loss as high at five thousand dollars.

Rev. W. G. Boggs, presidng elder of Rappahanock district will have charge of the thirty-sixth annual meeting at Marvin Grove Methodist camp, near Heathsville, Va.

Attempting to board a freight train, Brakeman G. W. Corgan was hurled against a rocky embankment south of Manassas, Va. His skull was fractured and he probably will die.

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

Board of Aldermen.

At a regular meeting of the Board of Aldermen of the City of Alexdria, Va., held July 8, 1913, there were present:

F. F. Marbury, Esq., president, and Messrs. Hill, Brill, Ogden, Ballenger, Fitzgerald and Summers.

The following communication was received from Thomas A. Fisher, Mayor:

Office of the Mayor,
June 27, 1913.

City Council of Alexandria:

I herewith return without my approval, a resolution providing for the printing of certain annual reports in the newspapers of Alexandria, at a cost of sixty dollars, and bearing on it an endorsement to the effect that Common Council concurred in the action of the Board of Aldermen by a vote of, ayes, eight; nays, five. It is apparent that this resolution was not properly passed by the lower Board. Section Thirteen of the City Charter, provides as follows:

"The concurrence of a majority of the whole number of members of each branch of the City Council shall be necessary for the passage of any law, order or resolution, or for repealing, altering, or revoking the same, and no bill or act creating a new law, amending or altering an existing law shall be passed at the same session on which it is presented, unless it shall receive the votes of three-fourths of the members of each branch of the City Council."

As this resolution had never been before Council previous to the night of its introduction, and also marked a new method of publishing the city reports, it was clearly new business, and, therefore, would have required twelve votes for its passage by the lower board on the night of its introduction. Even had it not been new business, it could not have passed the lower board with a less number of votes than nine. I notice in reading the newspaper accounts of the proceedings of City Council on June 24th, that these facts were brought to the attention of the president of the lower board and although he is no doubt fully aware of the law governing the action of City Council, he refused to take cognizance of the objections, and insisted that the law had been properly passed. I cannot let this opportunity pass without taking serious exception to this action on the part of the president of the Common Council. While, of course, there are many times in legislative bodies when under the rush and excitement of the moment pertinent laws are temporarily overlooked, in this particular case the attention of the presiding officer was immediately directed to his error in declaring the resolution passed, and the fullest opportunity was given to make any correction in his ruling if he had so desired. His refusal would seem to indicate a definite purpose on his part to embarrass the Mayor by forcing him to veto his resolution. It is always disagreeable for me to be forced to disagree with the City Council, but I will take this opportunity to make it clear that, while I am Mayor of the City of Alexandria, I will not sit idly by and permit violations of the City Charter, which I, as well as members of the Council, am sworn to up-hold, especially when it is brought to my knowledge that such violation was deliberate.

Respectfully yours,
THOMAS A. FISHER Mayor.

The Mayor's objections were sustained by the following vote:

Ayes, Messrs. Hill, Brill, Ballenger, Fitzgerald, Summers and Mr. President—6. Noes, Mr. Ogden—1.

An ordinance to amend paragraph 2 of Section IX of an ordinance entitled: "An ordinance for the inspection of buildings and regulating the construction and repairing of buildings within the city limits," approved March 12, 1910, was passed by the following vote: Ayes, Messrs. Hill, Brill, Ballenger, Ogden, Fitzgerald, Summers and Mr. President—7. Noes none.

A resolution appropriating $230 for the purpose of purchasing a street sweeper was adopted by the following vote: Ayes, Messrs. Hill, Brill, Ballenger, Ogden, Fitzgerald, Summers and Mr. President—7. Noes, none.

A resolution authorizing the Committee on Fire, and Public Property to advertise for bids for the erection of a truck and engine house was adopted.

The following were received from the Common Council and their action concurred in:

Communication from Harry Kirk, Clerk of the City School Board, stating that at a meeting of that body July 3, 1913, the City Council had been requested to increase the salary of W. H. Sweeney, superintendent of schools to $1,400 per annum.

An ordinance fixing the salary of the City Engineer at $2,000 per annum after August 1st, 1913.

Petition of Miss Fannie Dixon and James R. Mansfield for permission to change the front steps of houses 106 and 108 North Pitt street.

The Aldermen subsequently proceeded to the chamber of the Common Council for the purpose of participating in the election of Chief Engineer of the Fire Department and Overseer of the Alms House, and upon their return adjourned.

F. F. MARBURY, President.

Common Council.

At a regular meeting of the Common Council of the City of Alexandria, Va., held July 8, 1913, there were present:

R. D. Brumback, Esq., President, and Messrs. Spinks, Burke, Leadbeater, Lambert, Smith, Graham, Williams, Birrell, Brockett, Harrison, Marshall, Bryan and Chauncey.

The minutes were read and approved there being no objection, the president reversed his ruling of the last meeting on the resolution appropriating $60.00 for certain official printing and declared the resolution lost.

Mr. Harrison moved that a minority report be received from the joint committee on finance and schools, a substitute by Mr. Birrell directing the joint committee to make a full report and recommendation at the next regular meeting was accepted for the original motion and adopted.

A petition from Miss Fannie Dixon and J. R. Mansfield to erect iron steps at Nos. 106-108 North Pitt Street, was granted.

A resolution to increase the salary of the City Engineer to two thousand dollars per anum from August 1st. 1913, was referred to the Committee on Finance.

A communication from the Clerk of the School Board, recommending an increase of salary to the superintendent of schools from twelve hundred to fourteen hundred dollars per annum, was referred to the joint committee on Finance and Schools.

A message from the Mayor, returning without his approval a resolution passed at the last meeting, appropriating $60.00 for certain city printing in the Alexandria Gazette and Alexandria News, was received from the Board of Aldermen, and upon motion of Mr. Marshell their action was concurred in. Ayes, Messrs. Spinks, Burke, Lambert, Smith, Birrell, Monroe, Harrison, Marshall, Bryan and Chauncey—10. Noes, Messrs. Leadbeater, Graham, Williams, Brockett, and Mr. President—5.

The resignation of Mr. C. B. Swan as a member of the Common Council from the 4th ward, which was laid on the table at the last meeting was called from the table and accepted, upon motion of Mr. Monroe, Council proceeded to fill the vacancy.

Mr. Marshall placed in nomination Mr. J. T. Burke, Jr., Mr. Chauncey placed in nomination Mr. D. M. Lowe, Jr. The ballot resulted as follows for Lowe, Messrs. Leadbeater, Lambert, Graham, Williams, Brockett, Harrison, Chauncey and Mr. President—8. For Burke, Messrs. Spinks, Burke, Smith, Birrell, Monroe, Marshall, Bryan—7. Mr. Lowe was declared elected.

An ordinance to amend section 14 of an ordinance for the inspection of Buildings, approved March 12, 1910, was received from the Board of Aldermen, read three times and passed. Ayes, 14; noes, 1—Mr. Spinks.

The following was received from the Board of Aldermen and their action concurred in:

A resolution appropriating $300 to continue pipe sewer on Washington street south of Gibbon street to Franklin street. Ayes, 15; noes, 0.

A resolution appropriating $230.00 to purchase a street sweeper. Ayes, 15; noes, 0.

A resolution authorizing the joint committee on fire and public property to advertise for bids for the erection of a truck and engine house.

Upon motion the Board of Aldermen convened in joint session to fill vacancies at almshouse, and fire department.

For keeper of the almshouse Mr. Hill placed in nomination Mr. Joseph Sherwood, and he was unanimously elected, 21 members voting.

For chief of the fire department Mr. Summers placed in nomination Mr. R. E. Gronau, and he was unanimously elected. 21 members voting.

Upon motion the joint session dissolved and the Board adjourned.

Effective Home Remedy for Tuberculosis

It is a serious matter when the lungs are affected. A trip away or to a sanatorium is not only expensive, but it involves separation from home and friends. Some are benefited, but few can safely return. Eckman's Alterative is effective for home treatment. For example:

231 S. Atlantic Ave., Haddonfield, N. J.
"Gentlemen: In the fall of 1905 I contracted a very severe cold, which settled on my lungs. At last I began to raise sputum, and my physician then told me I must go to California immediately. At this time I was advised to take Eckman's Alterative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now five years since my recovery has been effected, and I cannot praise Eckman's Alterative too highly. I have recommended it with excellent results."
(Signed) W. M. TATEM.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists

TO CITY TAX PAYERS—NOTICE.

Collector's Office, June 16, 1913.

Notice is hereby given that the tax bills for 1913 are now in the hands of the collector. The attention of all parties interested is respectfully called to the following extract from the revenue bill of the year:

"Upon all bills paid in full by the first day of July, 1913 the said collector of taxes shall allow a discount of five per cent., on all bills paid in full by the first day of September, 1913, the said collector of taxes shall allow a discount of three per cent., and all bills not paid in full on or befor the 1st day of December, 1913 shall be returned delinquent, and there shall be assessed and collected upon the unpaid portion of said bills a penalty of five per cent., and on all bills remaining unpaid on the 1st day of June, 1914, damages at the rate of six per cent., per annum shall be paid."

Tax payers are requested to call and pay at once in order to avoid the rush and crowd usually present on the last days in which the discount is allowed.

Bring a list to make show that you get bills for all your property, as the collector will not be responsible or allow the discount after the time fixed by law.
